Summary of Chapter 1, The Reflective Educator's Guide to ...

Evidence shows that reflective practice can help educators to think more deeply about their work and motivate them to explore new ideas and approaches (see, for example, Anning & Edwards, 2006). The Framework and the guide aim to embed reflective practice and inquiry into educators' everyday practices. For educators:

The Reflective Educator's Guide to Classroom Research ...

Reflective practice is undertaken not just to revisit the past but to guide future action. Reflective practitioners use all 4 of the essential modes of reflection: Reflection-in-action is taking note of thinking and actions as they are occurring and making immediate adjustments as events unfold. Re-evaluation occurs on the spot.

What is critical reflection for early childhood educators?

The reflective educator's guide to classroom research: Learning to teach and teaching to learn through practitioner inquiry, 2 nd Edition. Thousand Oaks, California: Corwin Press. Dana, N. F., & Yendol-Hoppey, D. (2009).

The Reflective Educators Guide To

Reflective practice is an important part of the documentation process for educators but it is often neglected because of a lack of understanding or confidence about what is required. Reflective practice can be implemented when an educator thinks critically about an event, action or experience to draw meaning from the situation.

In the act of being reflective, a mentor gains the tools needed to guide a new teacher through a complex system of creating an educative-mentoring context, cultivating the dispositions of a successful educator, and guiding a mentee's professional knowledge development."

How to Become a Reflective Educator | Study.com

How often do Educators have to 'critically reflect? As critical reflection is an ongoing process there are no set rules for how often you should set aside time to document your reflections. To get started taking regular action though you might like to consider 1 or 2 of the questions from my list further down below and then add your answers and thoughts to the end of each week's planning.
