**Anat Berko - Wikipedia**  
Female suicide bombers are women who carry out a suicide attack, wherein the bomber kills herself while simultaneously killing targeted people. Suicide bombers are normally viewed as male political radicals, but since the 1960s female suicide attacks have been on the rise. Through 1985-2006, 15% of all suicide attacks were conducted by female suicide bombers. There are many organizations, such as Boko Haram, ISIS, and the Al Aqsa Martyrs Brigade, that recently started using women as tools in the
