The Soul of Ancient Egypt: Restoring the Spiritual Engine ...

The ancient Egyptians believed that a soul was made up of many parts. In addition to these components of the soul, there was the human body. According to ancient Egyptian creation myths, the god Atum created the world out of chaos, utilizing his own magic. Because the earth was created with magic, Egyptians believed that the world was imbued with magic and so was every living thing upon it. When humans were created, that magic took the form of the soul, an eternal force which resided in and with
