Naomi Pfeffer Polity Press, £ 12.95, pp 235 ISBN 0 7456 1187 7 Rationing has become part of health service culture. Choices - often tough, unpalatable choices about which services to buy - have to be made by health authorities struggling to balance the books. The financial costs of infertility services are high, but the psychological costs of not providing them for people desperately wanting ...

The Stork And The Syringe

The Stork and the Syringe argues that although doctors' approach to infertility is formed in response to the exigencies of the political economy of medical practice, it also accommodates a persistent gender bias: the tendency to regard women's bodies as inviting intervention and men's as demanding caution. This bias is manifest in relation to gametes (eggs and sperm), sex hormones, in the form of medical investigations and treatment, and the frequency and enthusiasm with which the latter are ...

How The Stork OTC Works - The Stork® OTC Home Conception Aid

Stork believed she had to defend Rajneeshee, and was part of an attempted murder plot which at the time she felt would protect him. She discusses how she attempted to kill Rajneeshee's doctor with a syringe filled with adrenaline . and also plotted to kill U.S. attorney Charles H. Turner. [1]
