American abolitionist

John Brown was one of the most famous abolitionists, or

opponents of slavery, in history. He traveled widely to gather

support and money for his cause. Many people

who helped him were either unaware or did

not care that he often used violence to

achieve his goals.

**Significance &  
History - Biography**

John Brown was a white man with a conscience living in 19th century America. He abhorred slavery and fought against it with blacks at his side. He would pay the ultimate price for his battles against the white establishment of the day. Some questioned his methods as he had no compunction against
