Ben Sherwood does a solid job of homing in on what qualities and characteristics most everyone can muster to maximize their chances of survival when bad things happen. Through a range of examples and interviews with experts, he tells us not only what we need to do, but what we should ignore while working hard to stay alive.

**The Survivors Club (Audiobook) by Ben Sherwood | Audible.com**

Sherwood (The Death and Life of Charlie St. Cloud, 2004, etc.) investigates why some live, others don't. His subjects are the people who closely encountered the proverbial cement truck when they stepped out the door one sunny morning, yet lived to tell about it: the woman who dropped six miles through the sky without a parachute; the man who ejected from his fighter plane at sea level doing ...
