I found "*The Third Millennium*" was a fascinating novel with a fair amount of eschatology, revealing prevailing false doctrine from humanists and intriguing Biblical opinion from Dr. Meier to sate my appetite for a fictional account of end-time events. So much was my delight in reading this one book, I had to buy the other two books in this series.

The Third Millennium. Reflections on Faith and Reason. David Walsh. This provocative meditation on the turn of the millennium explores the significance that a celebration of Christ's birth can have beyond the Christian community. Writing from the perspective of Christian philosophy, David Walsh ponders the emergence of modern civilization from the medieval Christian past, concluding that Christian theology grounds the dominant ideas of modern society.

Mission in the Third Millennium: Emerging Trends in India, by Antony Lawrence, (Bengaluru: ATC Publishers, 2019). The 'shared sense of oneness' is profoundly desecrated .... India is witnessing to an intense conflict between 'civic nationalism' and 'majoritarian nationalism'. The 'Mosque-Temple' saga is a symptom of what happens deep within: a tectonic shift from an 'idea of India' that is rooted in pluralistic conception of the nation as a nation of diverse peoples and another 'idea of ...

Wonderful are your works; my soul knows it very well. My frame was not hidden from you, when I was being made in secret, intricately woven in the depths of the earth. Your eyes saw my unformed substance; in your book were written, every one of them, the days that were formed for me, when as yet there was none of them (Psalm 139:14-16).
