Book Review: The Time Regulation Institute

A literary discovery: an uproarious tragicomedy of modernization, in its first-ever English translation Perhaps the greatest Turkish novel of the twentieth century, being discovered around the world only now, more than fifty years after its first publication, *The Time Regulation Institute* is an antic, freewheeling send-up of the modern bureaucratic state.

How 'The Time Regulation Institute' Became a Global ...

The Time Regulation Institute, originally written in 1962 but currently enjoying a renaissance due to a fresh English language translation by Maureen Freely and Alexander Dawe, is a biting satire of the rapid modernisation and subsequent

bureaucratic systems that accompanied the arrival of the Turkish Republic in the early twentieth century.

The Time Regulation Institute - Walmart.com - Walmart.com

The Time Regulation Institute is an enjoyable and often very funny story, and Tanpinar's writing in this nicely wrought translation by Maureen Freely and Alexander Dawe is a pleasure to read. One has to accept the different sort of pacing to the story here, giving the narrative an unusual kind of flow; if one can, it makes for a very nice ride.

The Time Regulation Institute - Ahmet Hamdi Tanpınar

One of the greatest and most overlooked novels of the twentieth century, by an author championed by Nobel Prize winner Orhan Pamuk, *The Time Regulation Institute* appears here in English for the first time—more than fifty years after its original publication in Turkish. This is the story of the misadventures of Hayri İrdal, an unforgettable antihero who, along with an eccentric cast of ...

bureaucratic state.

The Time Regulation Institute - Wikipedia

The Time Regulation Institute works in the key of comedy. Its narrator, Hayri Irdal, is an irrepressably arch, ridiculous figure who recognizes his own maladaptation to modern life while remaining helpless to do anything about it. [...] A truly pathbreaking novel, at once nostalgic and modernist, contemporary and out of its time. —Nikil Saval

The Time Regulation Institute - Seattle Public Library ...

Prepare to enjoy a voice you did not know existed. A splendid new English translation of the satiric novel *The Time Regulation Institute*, by the Turkish writer Ahmet Hamdi Tanpınar, will be the first introduction many American readers have to this beguiling twentieth-century writer, born in Istanbul in 1901, who wrote in the expansive, unhurried tempo

The Time Regulation Institute - Kindle edition by Tanpinar ...

The time regulation institute does not do anything sensible and useful in terms of functionality as an institution. However, the institute has been introduced as "the greatest, most beneficial institution of our century". At this juncture, we see a clear irony about the institutions. In addition to the fact that the establishment and function of ...
