Contraception tells us that we can get away with being not faithful all of the time. It's that simple: will every act of sexual intercourse in your marriage uphold your vow to be open to children, or not?

### **Whole Truth About Contraception: A Guide to Safe and ...**

In 1961, the FDA approved the sale of the combination pill, under the name Enovid, by the drug company Searle. Other companies struggled to catch up, and Syntex came out with its own pill under the name Ortho Novum in 1962. A year later, more than 2 million women were on the pill. Despite its growing popularity,...

### **The Whole Truth About Contraception : a Guide to Safe and ...**

From what I've observed, some married couples will discover, on their own, without any guidance from you, the truth about contraception and Natural Family Planning and make changes. But I think you know, as well as I do, that without your leadership in this area not much is ever going to change.
