Publisher Description. Falguni A. Sheth, *Toward a Political Philosophy of Race* (Albany: State University of New York Press, 2009), xiii + 256 pp. While race is not a central focus of Anglo-American political philosophy, pioneers like Bernard Boxill, Charles Mills, and Lucius Outlaw have worked to make the history, metaphysics, and political significance of race legitimate topics of inquiry.

Political philosophy as a genre was  
invented in this period by Plato and, in  
effect, reinvented by Aristotle: it  
encompasses reflections on the origin of  
political institutions, the concepts used  
to interpret and organize political life  
such as justice and equality, the relation  
between the aims of ethics and the  
nature of politics, and the relative merits  
of different constitutional arrangements  
or regimes.

## **"Toward a Political Philosophy of Mobility" by Alexander Sager**

Political philosophy, branch of philosophy that is concerned, at the most abstract level, with the concepts and arguments involved in political opinion. The meaning of the term political is itself one of the major problems of political philosophy.

Broadly, however, one may characterize as political all those practices and institutions that are concerned with government.
