(PDF) Challenges in understanding terrorism in Africa: A ...

In the aftermath of the 11 September 2001 terrorist attacks in the United States (US), terrorism has increasingly become a new tactic of warfare and a key security threat, both in Africa and globally. 2 Terrorism is in itself an evolving global issue, and is among the most complicated and demanding security challenges for the international community. On the African continent, for instance, terrorism has continued to affect people's fundamental human rights both directly and indirectly ...

Read Online Understanding Terrorism In Africa A Primer

Terrorism is not a new threat or concept for communities and governments in Africa. However, what is worrying is that Africans often use Western models to categorise terrorism, the tactics used and its impact. The result has been the development of double standards which have a negative impact on the understanding of terrorism in Africa. In
