Unofficial Ambassadors: American Military Families ...

In this untold story of Cold War diplomacy, Donna Alvah describes how these "unofficial ambassadors" spread the United States' perception of itself and its image of world order in the communities where husbands and fathers were stationed, cultivating relationships with both local people and other military families in private homes, churches, schools, women's clubs, shops, and other places.

Project MUSE - Unofficial Ambassadors: American Military ...

The stationing of American families, rather than just American servicemen, she argues, served an important ideological purpose. Drawing on Joseph Nye's conceptualization of "soft power," Alvah argues that American families abroad served as unofficial ambassadors demonstrating both the benefits and the benevolence of the United States.

Unofficial Ambassadors: American Military Families ...

In Unofficial Ambassadors: American Military Families Overseas and the Cold War, 1946-1965, historian Donna Alvah illuminates the ways in which us military families abroad influenced global perceptions of American diplomacy, state, society, and culture. During the early Cold War period, United States military spouses and children stationed in Western Europe and Asia sought to cultivate neighbouring support and friendly relations with local people on- and off-base.

Unofficial Ambassadors : American Military Families ...

their family roles in U.S. Cold War military objectives and foreign relations. It is during the postwar occupations and the Cold War that the military establishment began to forthrightly acknowledge the necessity of families for supporting military personnel and, by extension, overseas bases and operations.

Unofficial ambassadors : American military families ...

Unofficial Ambassadors. Donna Alvah's Unofficial Ambassadors: American Military Families Overseas and the Cold War, 1946-1965 is a highly important work of literature in American History. It denotes a crucial epoch in the development of the United States' foreign policy when the U.S. was attempting to counteract the (allegedly) pervasive influence of Communism.
