### Nineteenth Century Magazine - Victorian Society in America

Spanning from 1837 to 1901, the Victorian era in England is known for its peace, prosperity and social refinement. At the same time, social movements to end poverty also flourished. Our Victorian artwork depicting tea parties, gardens, gentlemen, cultivated ladies and other subjects captures the time period's elegance and humanity.

### Victorian America - Wikipedia

Religion was the center of life in Victorian America. A good Victorian was religious and had built up his character by learning and practicing the moral virtues. In the 19th century, a good person was an honest person, a courageous person, a thrifty and hardworking person, a sober person who was patriotic and valued his community, and so forth.

### Victorian Era - Culture, Art & Timeline | HISTORY - HISTORY

In the history of the United Kingdom, the Victorian era was the period of Queen Victoria's reign, from 20 June 1837 until her death on 22 January 1901. The era followed the Georgian period and preceded the Edwardian period, and its later half overlaps with the first part of the Belle Époque era of Continental Europe. Morally and politically, this period began with the passage of the Reform ...

### Victorian era - Wikipedia

The Victorian age in America calls to mind classic images of heavily upholstered chairs, extensively carved woods, multicolored veneers, rococo and Gothic arches, and Moorish-influenced decor. It was a marvelously eclectic period noted for an undisciplined exuberance and unlimited riches made possible by the emerging Industrial Revolution.

Welcome and thank you for visiting The Victorian Historian, a unique insight into the obscure history of America's 19th and early 20th century. My name is Adam Shefts, and as The Victorian Historian, I invite you to this online journey through the unique, fascinating and sometimes shocking facts, stories and items to come out of America's Victorian and Edwardian eras.

### The Victorian Historian - 19th/early 20th century American ...

Victorian values dominated American social life for much of the 19th century. The notion of separate spheres of life for men and women was commonplace. The male sphere included wage work and politics, while the female sphere involved childrearing and domestic work. Industrialization and urbanization brought new challenges to Victorian values.

### America in the Victorian Age - The New York Times

Victorian architecture in America is not just one style, but many design styles, each with its own unique array of features. The Victorian era is that time period that matches the reign of England's Queen Victoria from 1837 to 1901. During that period, a distinct form of residential architecture was developed and became popular.
