9783540376538: Vogel and Motulsky's Human Genetics ...

Main Text. When I was asked to review the new, fourth edition of Vogel and Motulsky's Human Genetics for AJHG, I had mixed feelings. On the one hand, the third edition from 1997 was so out of date even when I joined the field that it is not among the reference books I have read during my training or in the years that followed.
