### Best MK1 Engine Swap?

I am interested in doing a tdi engine swap, not into another golf or anything, but into a different car all together. I can fabricate an engine adapter plate and motor mounts etc, as i have a milling machine and other various stuff, welders etc. I eventually plan to run it on SVO or biodiesel if that makes a difference in the swap.

VW 1.8T Engine Swaps and Turbo Conversions. ... If the engine swap in standard trim isn't enough for your needs, we can increase power levels by way of an ECU remap to increase boost pressure levels, or carry out modifications to the engine for even higher increases. Typically, a remapped 1.8T BAM engine with a K04 turbo will make around ...

### Caddy - Engine Swap Depot

The Volkswagen Caddy Mk1 came with a variety of small gasoline and diesel engines. However this Caddy built by Fly Garage in Poland is powered by an 4.2 L Audi V8 and manual transmission located in the bed making it a true mid-engine layout. Since the engine is the back the fuel tank was installed in the engine bay.

### VWVortex.com - Best engine swaps for Rabbit Pickup( Caddy )

I have read a LOT about the various VW engine swaps that people have performed on Caddy's. I have not found much if anything at all about an engine swap with an engine from another manufacturer. I have a 400K mile Caddy that it is time to rebuild & modify. I have been looking at FWD engine/transmission combo's from Toyota or Nissan for a swap.

### mk1 caddy engine swap.. HELP!!!! | RMS Motoring Forum

i got a vw scirocco with less than 600mls on clock three sets of keys ,dameged rear corner £5400. everything that i sold the engine has turned out to be a bargain . a golf that a customer did the same with his enging turned out to of cost him 300 quid .

### VW Caddy - TDI Engine Conversion | RMS Motoring Forum

Engine swaps that work for A1 cars. The engine compartments are smaller than the A2s, making some mods much harder (G60, VR6) Electrical wiring is different between German, Mexican and US made A1 cars. Bugworld sells custom made harnesses (for about \$250) when you buy an engine from them to make a swap easier. See also note under A2 about ...

### tdi engine swap - TDI Engine -General Info - VWDiesel.net ...

We have a 2002 VW Caddy pickup, it's based on a Skoda Felicia as far as I know. It has a 1.9 straight diesel engine and I'm considering a transplant if it isn't too much hassle. We would just buy a newer one, but VW don't offer a pickup anymore :( Would ideally like to go for a 1.9 TDi in the...
