The brevity of When Things Fell Apart – just over 170 pages, including the appendix – and the simplicity of the book's central argument belie the extensive and, one may state, prolific background of Professor Bates. Earning numerous academic and governmental fellowships and awards along with appointments at top universities in and out of ...

### **When Things Fell Apart: State Failure in Late-Century ...**

When Things Fell Apart operates within the paradigm of 'failure', which implies that research is solely focused on negative outcomes as defining politics in Africa. Bates criticizes cross-national and cross-continental analyses of state development on the grounds that Africa uniquely offers unparalleled cases of political failure and disorder.

Things Fall Apart is a novel written by Nigerian author Chinua Achebe. Published in 1958, its story chronicles pre-colonial life in the south-eastern part of Nigeria and the arrival of the Europeans during the late nineteenth century. It is seen as the archetypal modern African novel in English, one of the first to receive global critical acclaim. It is a staple book in schools throughout Africa and is widely read and studied in English-speaking countries around the world. In 1962, Achebe's debu
