This style of writing is what has now become known as Free Indirect Style (or Free Indirect Speech/Free Indirect Discourse). Free Indirect Speech is a form of narration written in the third person while maintaining some essential elements of a first-person narrator.

Philosophy of history - Wikipedia
It is the most extraordinary, alluring and thought-provoking of all the ways in which quantum mechanics has been interpreted. In its most familiar guise, the many-worlds interpretation (MWI) suggests that we live in a near-infinity of universes, all superimposed in the same physical space but mutually isolated and evolving independently.

Why the Many-Worlds Interpretation Has Many Problems ...

Worlds Of Written Discourse A
The word discourse is derived from the latin prefix dis-meaning "away" and the root word currere meaning "to run". Discourse, therefore, translates to "run away" and refers to the way that conversations flow. To study discourse is to analyze the use of spoken or written language in a social context.

Definition of Meter. Meter is a literary device that works as a structural element in poetry. Essentially, meter is the basic rhythmic structure of a line within a poem or poetic work. Meter functions as a means of imposing a specific number of syllables and emphasis when it comes to a line of poetry that adds to its musicality.

Meter - Examples and Definition of Meter - Literary Devices
The patient experience is increasingly being recognised as an important factor in developing and providing excellence in healthcare. In the UK, improving the patient experience is declared to be central to everything the NHS does and the newly formed 'improving the Patient Experience' initiative, a collaborative project across the whole National Health Service, is recognition of this [].

What is Free Indirect Discourse? - JaneAusten.co.uk
Philosophical reflection on religion is as old as Greek questions about Hebrew stories. Feminist philosophy of religion is a more recent development within Western philosophy that poses feminist questions about religious texts, traditions, and practices, often with the aim of critiquing, redefining, or reconstructing the entire field in light of gender studies.
