*Zombies are real. And we made them. Are you prepared for the zombie apocalypse? The Smith family is, with the help of a few marines. When an airborne zombie plague is released, bringing civilization to a grinding halt, the Smith family, Steven, Stacey, Sophia and Faith, take to the Atlantic to avoid the chaos. The plan is to find a safe haven from the anarchy of infected humanity. What they discover, instead, is a sea composed of the tears of survivors and a passion for bringing hope. For it is up to the Smiths and a small band of Marines to somehow create the refuge that survivors seek in a world of darkness and terror. Now with every continent a holocaust and every ship an abattoir, life is lived under a graveyard sky. At the publisher's request, this title is sold without DRM (Digital Rights Management). . .the thinking reader's zombie novel. . .Ringo fleshes out his theme with convincing details—the proceedings become oddly plausible. Publishers Weekly If you think the zombie apocalypse will never happen, if you've never been afraid of zombies, you may change your mind after reading Under a Graveyard Sky. . .Events build slowly in the book at the outset, but you can't stop reading because it's like watching a train wreck in slow motion: inexorable and horrible. And the zombie apocalypse in these pages is so fascinating that you can't stop flipping pages to see what happens next. Bookhound The second novel in #1 New York Times bestselling author Nora Roberts' stunning Chesapeake Bay Saga, where the Quinn brothers must return to their family home on the Maryland shore, to honor their father's last request... Ethan Quinn is a waterman. He wasn't born to the tradition but has embraced it. He's a quiet man whose heart runs as deep as the waters he loves. And now, with his father gone, Ethan is determined to make the family boatbuilding business a success. But amidst his achievements lie the most important challenges of his life... There's a young boy who needs him, and a woman and child he loves but never believed he could have. To shape his life around them, Ethan must face his own dark past—and accept not only who he is but what he hopes to become. Don't miss the other books in the Chesapeake Bay Saga Sea Swept Inner Harbor Chesapeake Blue Economics has always had a moral dimension; even free-market mascot Adam Smith was a Christian minister. Yet recent events have renewed and recast theological reflection on the economy as the gospel of prosperity succumbs to large-scale economic crisis. In that light Joerg Rieger explores the many dimensions of today's economic crisis. What are the fundamental shifts taking place in the global economy today, and how are they affecting provision for basic human needs, economic equity, and people's prospects? Brother detectives Frank and Joe dive deep into the Florida Keys to find a missing person in the twenty-first book in the thrilling Hardy Boys Adventures series. Frank and Joe Hardy have been invited to take part in a conservation mission by a marine biologist at the Bayport Aquarium. The boys get to go on an all-expenses paid trip to the lush and beautiful Florida Keys to help save sharks! But the trip's purpose is suddenly sidelined when a paddle boarder goes missing and rumors start that the disappearance is the result of a shark attack. After spending so much time learning about the local shark population, the Hardy Boys aren't buying the story. It will take all of Frank and Joe's recently acquired knowledge about sharks and their habitat to solve this case. Will they be able to discover what's really going on before it's too late? Assesses the possible impact of global warming, describes how rising sea levels would affect coastal areas, and offers advice on what can be done to lessen the effects of global climate changes In this "fiendishly clever novel," a woman's husband vanishes in a historic storm -- and*

*new troubles wash up in its wake (Sunday Times) In a small fishing village on the Devon coast, Lucy Locke has built a life that anyone would envy. She and her husband, Daniel, own successful businesses and live with their two children in a picturesque home overlooking the harbor. But everything changes one morning when, following a monumental storm, the family yacht is found empty -- and Lucy's husband is nowhere in sight. As the search for Daniel mounts, so does Lucy's sense of dread, raised to a fever pitch when another, more terrifying revelation pushes her storybook life to the brink of total destruction. Lucy is reluctantly forced to face a harsh truth: the sea gives life, and just as quickly takes it away. And when the detective on the case uncovers suspicious details that Lucy had hoped would stay buried, she'll have to confront the nightmarish possibility that she created her own undoing. Beautifully rendered with evocative, atmospheric prose, The Rising Tide is at once a pulse-pounding, inescapably suspenseful thriller and a poignant tale of the power of the natural world. Its characters and settings are sure to stay with readers long after the final page--and after their heart rates finally return to normal. In the distant future, the world was a paradise--and then, in a moment, it was ended by the first war in centuries. When a ransom exchange turns deadly in this thrilling mystery from bestselling author Anne Perry, Commander William Monk faces an unthinkable possibility: betrayal by his own men. NAMED ONE OF THE BEST CRIME NOVELS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • "Riveting . . . one of the series' more powerful recent entries."—Publishers Weekly*

*When kidnappers choose a broken-down waterside slum as the site of a ransom exchange for the wife of wealthy real estate developer Harry Exeter, the Thames River Police and Commander William Monk shadow Harry to the spot to ensure that no harm comes to him or his captive wife. But on arrival, Monk and five of his best men are attacked from all sides. Certain that one of his colleagues has betrayed him, Monk delves into each of their pasts, one of which hides a dreadful secret. Soon facing a series of deadly obstructions, Monk must choose between his own safety and the chance to solve the mystery—and to figure out where his men's loyalty really lies. Praise for Dark Tide Rising "Perry makes cunning work of the plot, which raises issues of trust and loyalty while driving home a grim message about the vulnerability of women who entrust their fortunes to unscrupulous men."—The New York Times Book Review "One of the most successful of prolific Perry's recent Victorian melodramas. The opening chapters are appropriately portentous, the mystification is authentic, and if the final surprise isn't exactly a shock, it's so well-prepared that even readers who don't gasp will nod in satisfaction."—Kirkus Reviews "Another deftly crafted gem of a suspense thriller by a master of the mystery genre . . . a 'must read.'"—Midwest Book Review "Superb . . . [a] brilliant piece of historical fiction . . . No one writes Victorian-era stories quite like Perry."—BookReporter Dive deep into the vivid underwater world of Dark Life! The oceans rose, swallowing the lowlands. Earthquakes shattered the continents, toppling entire regions into the rising water. Now, humans live packed into stack cities. The only ones with any space of their own are those who live on the ocean floor: the Dark Life. Ty has spent his whole life living deep undersea. When outlaws attack his homestead, he finds himself in a fight to save the only home he has ever known. Joined by Gemma, a girl from Topside, Ty ventures into the frontier's rough underworld and discovers some dark secrets to Dark Life. Secrets that threaten to destroy everything. From Ann Cleeves—New York Times bestselling and award-winning author of the Vera and Shetland series, both of which are hit TV shows—comes the stunning tenth Vera Stanhope novel, The Rising Tide, a powerful novel about guilt, betrayal, and the longheld secrets people keep. "Ann Cleeves is one of my favorite mystery writers."—Louise Penny For fifty years a group of friends have been meeting regularly for reunions on Holy Island, celebrating the school trip where they met, and the friend that they lost to the rising causeway tide five years later. Now, when one of them is found hanged, Vera is called in. Learning that the dead man had recently been fired after misconduct allegations, Vera knows she must discover what the friends are hiding, and whether the events of many years before could have led to murder then, and now . . . But with the tide rising, secrets long-hidden are finding their way to the surface, and Vera and the team may find themselves in more danger than they could have believed possible . . . When a girl goes from lifeguard to princess... Maris Sanders thinks she's a normal high school girl. Until she starts developing underwater powers that aren't normal at all. When a good-looking stranger, with the odd name of Cuda, comes into her life and tells her stories, she discovers a history that stuns her. A lost princess. A lost kingdom. And two lost sisters she never knew she had. Not knowing who to believe, Maris is determined to find the truth. About herself, her powers, and her sisters. But a scientist hired by Cuda's father is determined to use*

her as a science experiment. Maris must decide whether to risk her life and her present human reality to join a battle under the sea. And if she doesn't, will she ever find where she truly belongs? This is the third book in a young adult fantasy action adventure novel series. Each of the books stand alone. "I read all 3 books in the collection by Allie Burton. I read one and then I quickly purchased the other two. The way the stories tied together and how the girls realized they were sisters was enchanting. I hope there will be more books to come in this series." Reviewer Other books in the Atlantis series: Atlantis Riptide - free, Atlantis Red Tide, Atlantis Tide Breaker, Atlantis Dark Tides, Atlantis Twisting Tides, and Atlantis Glacial Tides. DigiCat Publishing presents to you this special edition of "The Rising Tide" by Margaret Wade Campbell Deland. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. Magical worlds and incredible creatures fill the pages of this epic, action-packed finale of the Map to Everywhere series, from John Parke Davis and New York Times bestselling author Carrie Ryan! Intrepid travelers Fin and Marrill have shared countless thrilling and treacherous adventures on the magical waters of the Pirate Stream. But neither could have expected that their final adventure would force them to team up with their oldest enemy: the evil wizard Serth! With the fate of the Stream and all their friends hanging in the balance, can they challenge the most frightening power they've ever come up against? Find out in this mind-blowing conclusion to the Map to Everywhere series! "The Rising of the Tide" is a book by Ida M. Tarbell, an American journalist. This book discusses the history of sports and recreation. This book focuses on the invention and development of games, sports, and leisure activities that have been within society for millennia. A historic book for people who want to learn the history of the sport that we enjoy in the modern age. **NEW YORK TIMES BESTSELLER** • "This is Jeff Shaara at his best, giving us another superb [and] historically grounded novel of one of the most dramatic struggles of World War II."—George McGovern Utilizing the voices of the conflict's most heroic figures, some immortal and some unknown, Jeff Shaara tells the story of America's pivotal role in World War II: fighting to hold back the Japanese conquest of the Pacific while standing side-by-side with her British ally, the last hope for turning the tide of the war against Germany. As British and American forces strike into the soft underbelly of Hitler's Fortress Europa, the new weapons of war come clearly into focus. In North Africa, tank battles unfold in a tapestry of dust and fire unlike any the world has ever seen. In Sicily, the Allies attack their enemy with a barely tested weapon: the paratrooper. As battles rage along the coasts of the Mediterranean, the momentum of the war begins to shift, setting the stage for the Battle of Normandy. The first book in a trilogy about the military conflict that defined the twentieth century, *The Rising Tide* is an unprecedented and intimate portrait of those who waged this astonishing global war. **BONUS:** This edition contains an excerpt from Jeff Shaara's *The Steel Wave*. Praise for *The Rising Tide* "[A] sprawling tale thoroughly researched and told with meticulous detail. . . All that's missing is the smell of gunpowder."—MSNBC online "Masterful."—Publishers Weekly (starred review) "The Rising Tide imparts the actual sights, sounds and dialogue from the grounds of 1940s Sicily and North Africa."—New York Daily News When a small homemade boat drifts under the Seven Mile Bridge, Jesse McDermitt doesn't hesitate to jump in and pull the boat ashore on Pigeon Key with an injured boy aboard. The boy provides more questions than answers. He's believed to be a Cuban refugee, yet when he regains consciousness, he speaks perfect English, but can't even remember his name. Clues point to the boy coming from Fort Myers, Jesse's hometown. After going to war with drug smugglers there, Jesse has no desire to go back. But something is pulling at his wife's heart strings. With only a week before he has to leave for bigger, broader horizons, will Jesse be able to solve the mystery of the "lost boy" in time. Will the clues he finds along the way lead him deeper into the world of gang warfare than he wants to go? Things are about to get hot in the Florida Keys, and it's not just the spring weather **FROM BESTSELLING AUTHOR OF LGBT+ ROMANCE SAMANTHA CAYTO** Love always finds a way. Scott, a Navy SEAL, returns to his childhood beach house to deal with the emotional trauma of his latest mission. When a sniper killed his closest friend, Scott was left dealing with survivor's guilt and the disturbing feeling that his friend meant more to him. He has always identified as strictly straight, attraction to men being something he has ruthlessly suppressed. When he finds Kitt, a friend of his sister's, hiding out from his abusive boyfriend, Scott is once again drawn to someone of his own gender. Although annoyed at the intrusion, Scott also instantly

*develops an interest in his unwanted houseguest. Keeping his distance is proving to be impossible and his growing desire for Kitt cannot be ignored. Forced to leave home, Kitt entered into a relationship with a man who turned abusive. Having finally found the courage to escape, the last thing he wants or needs is another alpha male invading his space. But having nowhere else to go, he ends up staying with a man who disturbs him in more ways than one. As scary as the SEAL is, Scott is exactly the type of man Kitt dreams about. The beach house is small, and the two men cannot avoid one another or the attraction between them. With each passing day, their bond grows stronger. Hesitation slowly gives way to passion. They need to trust their feelings and let go of the things that frighten them, to find safety and solace in each other. Spurned and publicly humiliated by the father of her child, Princess Emmeline d'Arcy has no ring, no wedding date and no legitimacy for her unborn baby. And the last straw? Having to trade in her gilded lifestyle and pretend to be her twin sister, otherwise known as Sheikh Makin Al-Koury's personal assistant. Accustomed to being waited on hand and foot, Emmeline finds herself having to jump to the click of her boss's skillful fingers—day and night! But once the sheikh uncovers her shameful past, will his touch be nothing but a scorching memory? This is this story of Eamon, a little boy growing up in Northern Ireland in the sixties, before he succumbed to Leukaemia, a few months short of his seventh birthday. The book describes specific aspects of his short but remarkable life, all written from his perspective. Each chapter has a footnote which charts the history of the conquest of childhood leukaemia which commenced during his lifetime. The book is based around actual events and things which Eamon said and did which have been passed down. Eamon has the benefit of perspective, so he can describe events that have yet to happen which have a bearing on the life of his family. Nine people have gathered for the reading of Aurore Gerritsen's will. Some are family, others are strangers. But all will have their futures changed forever when a lifetime of secrets is finally revealed. Aurore Gerritsen left clear instructions: her will is to be read over a four-day period at her summer cottage on a small Louisiana island. Those who don't stay will forfeit their inheritance. With the vast fortune of Gulf Coast Shipping at stake, no one will take that risk. Tensions rise as Aurore's lawyer dispenses small bequests, each designed to expose the matriarch's well-kept secrets. Longtime loyalties are jeopardized and shocking new alliances are formed as the family feels the sands of belief shifting beneath their feet. As a hurricane approaches and survival itself is threatened, the fourth day dawns and everyone waits for the final truth to be revealed. Kai Turner was always a rebel while he was alive. Since his death, not much has changed. Now he's been instructed to forget about his old life and focus on using his new powers to heal people. But all he can focus on is Avery Ambrose, the stranger he died saving. For the past six months, her life has slowly been unraveled by his death. Dangerously blurring the barriers between life and death, Kai breaks all the rules in order to help her. Little does he know just how much Avery is willing to sacrifice for him in return. The second novel in #1 New York Times bestselling author Nora Roberts' stunning Chesapeake Bay Saga, where the Quinn brothers must return to their family home on the Maryland shore, to honor their father's last request... Ethan Quinn is a waterman. He wasn't born to the tradition but has embraced it. He's a quiet man whose heart runs as deep as the waters he loves. And now, with his father gone, Ethan is determined to make the family boatbuilding business a success. But amidst his achievements lie the most important challenges of his life... There's a young boy who needs him, and a woman and child he loves but never believed he could have. To shape his life around them, Ethan must face his own dark past—and accept not only who he is but what he hopes to become. Don't miss the other books in the Chesapeake Bay Saga Sea Swept Inner Harbor Chesapeake Blue A gripping, dark enemies to lovers LGBTQ+ YA fantasy about two girls who must choose between saving themselves, each other, or their sinking island home. Every year on St. Walpurga's Eve, Caldella's Witch Queen lures a boy back to her palace. An innocent life to be sacrificed on the full moon to keep the island city from sinking. Lina Kirk is convinced her brother is going to be taken this year. To save him, she enlists the help of Thomas Lin, the boy she secretly loves, and the only person to ever escape from the palace. But they draw the queen's attention, and Thomas is chosen as the sacrifice. Queen Eva watched her sister die to save the boy she loved. Now as queen, she won't make the same mistake. She's willing to sacrifice anyone if it means saving herself and her city. When Lina offers herself to the queen in exchange for Thomas's freedom, the two girls await the full moon together. But Lina is not at all what Eva expected, and the queen is nothing like Lina envisioned. Against their will, they find themselves falling for each other as water floods Caldella's streets and the dark tide demands its sacrifice. Perfect for fans of: *The Wicked Deep* and *A Curse So**

*Dark and Lonely Witchy tales Dark fantasy fiction LGBTQ books Enemies to lovers romance Praise for The Dark Tide: "Striking the perfect balance, The Dark Tide demands to be read in one held breath as its tide bears down on all."—Foreword, Starred Review "A dark scenic adventure, sensitively written for romantics, Jasinska's debut novel is a fantasy of promises, betrayal, unrequited love, and black magic."—School Library Journal, Starred Review "The Dark Tide is the dark, queer fantasy of your dreams that's part beauty and the beast, part something entirely new and original... a lush world that begs to be lived in... It's beautiful, and fast paced, and everything I ever want from a fairy tale."—Cat VanOrder, Bookmarks (Winston-Salem, NC) "Fans of the enemies-to-lovers trope will be ecstatic with this book...The Dark Tide offers an exciting and immersive story with a strong feminist slant that subverts common YA tropes and forges its own original path."—The Nerd Daily A family saga that explores the relationship between people and the landscape in which they live, Jeremy Page's atmospheric and lyrical debut novel is revelatory in its use of language and is the work of a significant new writer. Salt tells of a German airman who falls from the sky in 1945 and lands in the middle of a salt marsh in England. Goose, a local woman, digs him up and brings him home. After staying for just nine months, he vanishes in a makeshift boat, leaving Goose behind with a newborn daughter, Lil. Taught to read the clouds by her mother, Lil's childhood is curious and strange, but when she becomes the object of two brothers' desire, her life takes a tragic turn. Fifteen years later, it is Lil's son, Pip, who attempts to make sense of his family's intriguing history. Beguiled by the lovely Elsie who lives nearby, Pip grows up in the marsh like generations before him, but will their unfortunate past repeat itself? The Green Halo is a highly readable introduction to the vast field of contemporary ecological thought. It is a basic education in environmental philosophy and a welcome propadeutic for understanding the most crucial problem facing humankind in the coming century: How can humans live on this earth so that they do not destroy the preconditions for their own existence? From internationally bestselling, acclaimed author Melinda Salisbury comes a darkly seductive story of murder, betrayal, love, and monsters in a small town in the Scottish Highlands. Here are the rules of living with a murderer. One: Do not draw attention to yourself. It's pretty self-explanatory -- if they don't notice you, they won't get any ideas about killing you. Be a ghost in your own home, if that's what it takes. After all, you can't kill a ghost. Of course, when you live with a murderer, sit opposite them for every meal, share a washroom and a kitchen, sleep a mere twelve feet and two flimsy walls away from them, this is impossible. Even the subtlest of spectres is bound to be noticed. Which leads to the next rule. Two: If you can't be invisible, be useful. Everyone in this quiet lakeside community knows that Alva's father killed her mother, all those years ago. There wasn't enough proof to arrest him, though, and with no other family, Alva's been forced to live with her mother's murderer, doing her best to survive until she can earn enough money to run away. One of her chores is to monitor water levels in the loch -- a task her father takes very seriously. His family has been the guardian of the loch for generations. It's a cold, lonely task, and a few times, Alva can swear she feels someone watching her. The more Alva investigates, the more she realizes that the truth can be more monstrous than lies. And while you might be able to outrun anything that emerges from the dark water, you can never escape your past . . . A New York Times Notable Book of the Year, winner of the Southern Book Critics Circle Award and the Lillian Smith Award. An American epic of science, politics, race, honor, high society, and the Mississippi River, Rising Tide tells the riveting and nearly forgotten story of the Great Mississippi Flood of 1927. The river inundated the homes of almost one million people, helped elect Huey Long governor and made Herbert Hoover president, drove hundreds of thousands of African Americans north, and transformed American society and politics forever. The flood brought with it a human storm: white and black collided, honor and money collided, regional and national powers collided. New Orleans's elite used their power to divert the flood to those without political connections, power, or wealth, while causing Black sharecroppers to abandon their land to flee up north. The states were unprepared for this disaster and failed to support the Black community. The racial divides only widened when a white officer killed a Black man for refusing to return to work on levee repairs after a sleepless night of work. In the powerful prose of Rising Tide, John M. Barry removes any remaining veil that there had been equality in the South. This flood not only left millions of people ruined, but further emphasized the racial inequality that have continued even to this day. One glorious gothic mansion - Garonlea - and two rather different ladies who would be Queen . . . Lady Charlotte French-McGrath has successfully ruled over her family with a rod of iron until the arrival of Cynthia: beautiful, young, talented, selfish - and engaged to her*

son Desmond. When Cynthia enters the Jazz Age, on the surface her life passes in a whirl of hunting, drinking and romance. But the ghosts of Garonlea are only biding their time: they know the source of their power, a secret handed on from one generation to the next. Native American Mythology began long before the European settlers arrived on North American soil. Contrary to popular beliefs, there is more to Native American Folklore than stories of buffalo hunts, teepee living and animal stories. Hundreds of tribes throughout North America created a huge mythological system that has rivaled that of the Greeks. Since the beginning of time every civilization has presented its own collection of strange tales and folklore. The Native American Indians are no different. Many of their stories included giants, hideous creatures, ghosts, beings from the spirit world, witches and many others. These creatures have haunted various corners of North America for thousands of years. The stories have been handed down from generation to generation. Some stories are amusing, while others are meant to be a terrifying lesson in life and contain eerie details and gruesome facts that will make your skin crawl. The stories collected in this book represent some of the best to be found. Many are about ghosts and their interaction with the living, some evil in nature while others appear quite normal. They teach a lesson that the dead don't automatically become ghosts. Many of the stories give a brief hint to an afterlife. While some ghosts go about their everyday lives in spirit form, and others attempt to come back from the other side. Some come back for revenge on the living. Kadie Reynold loves to explore old ghost towns. So when she and her sister, Maysha, visit Eureka, Utah, it's just another ordinary trip---until they find an ancient journal and strange dreams start to haunt Kadie. Little does anyone know, the journal contains secrets that will plunge them into a world filled with mystery, past regrets, and dark unknowns.
